

U.S. Delegation at ProcurMed 2017

May 10 -11, 2017

Montreal, Canada

Take this opportunity to participate at [ProcurMed 2017](#)!

ProcurMed 2017 offers U.S. suppliers of medical devices and health IT technologies a forum to understand and succeed in the procurement process of Canadian medical devices and equipment. Suppliers and distributors of medical equipment will be on site to share their procurement process and requirements to a wide range of vendors. ProcurMed provides health care businesses and associations an unparalleled opportunity to learn from each other and share their ideas.

With a developed and competitive advantage, Canada's health care industry offers lucrative prospects for U.S. companies.

Participants can register for **ProcurMed 2017** with the following options:

Option 1) Register as a member of the U.S. Delegation

Benefits include:

- A targeted marketing campaign promoting their company's goals and objectives
- A targeted Canadian partner list
- Company profile featured on Canada's U.S. Commercial Service website
- An opportunity to display company product literature on the trade show floor at the U.S. Commercial Service Table

Cost: USD \$700 (limited slots)

Option 2) Event attendee only

Register as an attendee directly through [ProcurMed's](#) website

- Please consult the website for information on the event attendee options

Benefits include:

- A unique opportunity to meet key decision makers within the Canadian healthcare industry
- Industry briefings by experts on opportunities in Canada's health care market.
